## NEWS RELEASE

### FOR IMMEDIATE RELEASE

May 20, 2018

**Point of Contact: Chaplain Pat Archuleta**

As we go forward with progress of the Chapel of the High Speed Pass and its focus on the "Four Chaplains" who gave their lives to save others, this news release will highlight one of the Four Chaplains in this months news release.

**George L. Fox:** The oldest of the four, George knew all about war. At a very young age, he enlisted in the Army in 1917 as a medical corps assistant. He won a Silver Star for rescuing a wounded soldier from a battlefield filled with poison gas, the Croix de Guerre for outstanding bravery in an artillery barrage, and the Purple Heart for wounds he received. A resident of Vermont, he was a successful accountant and family man when he heard God's call to ministry. Fox went back to school and later was ordained into the Methodist denomination. When war came, he once again enlisted, telling his wife, ***"I've got to go. I know from experience what our boys are about to face. They need me."*** Fox began active duty on August 8, 1942, and served until that fateful morning of February 3, 1943.
